

Declaration of Compliance - REACH

Company HELMACAB OY is a downstream user of materials for electric and fibre optic cables. The company manufactures, imports, and uses materials in full compliance with REACH Regulation (EC) No 1907/2006, including the Candidate List of Substances of Very High Concern (SVHC), last updated on February 4, 2026.

We hereby confirm that we do not intentionally add the following substances into our processes:

- Substances of Very High Concern, as listed by ECHA in the Candidate List for Authorisation. The list is available for consultation on ECHA website, at the following link: [ECHA - Candidate List](#)
- Substances included in Annex XIV of REACH ("Authorisation List"). The list is available for consultation on ECHA website, at the following link: [ECHA - Authorisation List](#)
- Substances subject to restrictions under Annex XVII of REACH. The list is available at: [ECHA - Restrictions List](#)

Based on information provided by our suppliers and our internal assessments, our products do not contain any SVHCs in concentrations greater than 0.1% w/w. If any such substances are identified in the future, we will provide the required information in accordance with Article 33 of REACH.

The absence of these substances have not been tested by chemical analysis, therefore we cannot give full warranties about their complete absence as impurities. However, the concentrations of the substances is not expected to be >0.1% in the final product, according to information received from our suppliers.
